The Moravian Widows Society of Winston-Salem was incorporated under a charter from the State of North Carolina on September 27, 1919. It was patterned after a similar Society in Bethlehem, Pennsylvania, which has been in successful operation since 1771. The purpose of the Society, as its name implies, is to provide aid for the widows on a membership basis of a single payment of \$250 up to age 50 and \$10.00 additional for each year through age 60. Any man under the age of 61, in good health, who is a member in good standing of a Moravian Church or whose wife is a member in good standing of a Moravian Church is eligible for membership in the society.

The Board of Directors meets annually to review the financial status of the Society, determine the semi-annual payment for the coming year and elect Directors and Officers.

Some persons have made bequests in their will to aid the society and this is always greatly appreciated.

DIVIDENDS

The member himself never receives benefit from his membership either directly or indirectly and all payments for membership form a perpetual capital or investment fund, the interest from which is divided between the widows of the members on a share and share alike basis. The dividends, which are paid semi-annually in March and September of each year, have always been liberal in proportion to the nominal cost of membership. This is a small investment that will assure your widow a lifetime benefit.

In 2016, 63 widows will received checks totaling \$630.00. Eligible widows will receive \$725.00 in 2017. (\$325 in March and \$400 in September.) If a widow remarries, she is no longer eligible to receive benefits.

INVITATION TO MAKE A WISE INVESTMENT
